BY SIGNING THIS PLEDGE I UNDERSTAND:

- *There is an *open door policy* that is strictly enforced at Lake Wales High School. With permission from my teacher I can go see an administrator or dean at any time to either report an incident or prevent a situation from taking place.
- *Every teacher on campus has incident report forms and an amnesty box of some sort in their classrooms. Whenever I need to report an incident all I have to do is ask one of my teachers for an incident report form. Next all I have to do is turn the form in to my teacher, place the form in my teachers amnesty box, or ask for permission to see an administrator to turn my incident report form in.
- *That by taking a stand against bullying I am directly impacting the school culture on the Lake Wales High School campus in a positive way.
