Dear Parents of 2009 Graduates,

The Junior Class of Lake Wales High School is offering you the opportunity to recognize your special 2009 graduate by purchasing a *Highlander Graduation Flower* in their honor. You will be able to conveniently pick up your flowers on June 4, 2009, when you arrive at Bok Tower on graduation night. They will be available at the Class of 2010 booth for you to personally give to your graduate.

You may order roses or carnations in advance by completing the form below and returning it and your payment to Mrs. Medlock (Room 211) at Lake Wales High School. Each carnation or rose will be wrapped in white tissue paper and tied with orange and black ribbons. Carnations are available for $3.00 each or 6 for $10.00 and roses are available for $4.00 each or 6 for $15.00.

In case you forget a graduate, carnations will be on sale for $3.00 or a ½ dozen for $10.00 at the class of 2010 booth on graduation night. However, we will only have a limited number of carnations and will not have any roses on sale, so it will be best to pre-order.

Thank you for considering this special recognition of your graduate's momentous evening.
